

**How to get a fair share of the brains of the world?**

**8 years of experience with international recruiting.**

**International Graduate Program at TUM:  
Master of Science in Communications Engineering  
1998-2005**

- ➡ **Two-year high-level post-graduate program leading to the academic degree**  
*Master of Science in Communications Engineering (M.Sc.),*  
which allows to continue towards a PhD or Dr.-Ing.
- ➡ **Designed for international students to make them acquainted with German culture, scientific and industrial world**
- ➡ **Taught 100% in English**
- ➡ **Started 1998 as one of the first International Master Programs**
- ➡ **Since expansion in 2005 MSCE offers two specializations:**  
**Communications Systems and Communications Electronics**

## ➡ Bachelor of Science (B.Sc.) or Bachelor of Engineering (B.E.)

- ➡ Electrical Engineering
- ➡ Information Technology
- ➡ Computational Science ...

## ➡ Sufficient knowledge of English Language

- ➡ TOEFL  $\geq$  220 (computer)
- ➡ IELTS  $\geq$  6.0
- ➡ Cambridge EFL  $\geq$  CPE (Certificate of Proficiency in English)
- ➡ Or native speaker

# Application Package - Requirements

- ➔ **Application Deadline **March 15th****
- ➔ **Online application form**
- ➔ **2 letters of recommendation by professors, certifying that the student is at least in the top 10% of his class**
- ➔ **Degree certificate (certified translation)**
- ➔ **Academic records - transcripts (certified translation)**
- ➔ **Curriculum Vitae - resumé**
- ➔ **TOEFL certificate (obligatory), GRE scores (optional)**
- ➔ **Phone interview invitation (April)**
- ➔ **Final decision (End of April)**

# Application Process (typical numbers per year)

- ➔ **500-600 electronic applications**
- ➔ **First electronic evaluation**
- ➔ **Students receive an assessment about their chances of admission**
  - ➔ **Good**
  - ➔ **Average**
  - ➔ **Weak**
- ➔ **300 paper applications**
- ➔ **120 telephone interviews**
- ➔ **50 offers made**
- ➔ **35 accept**
- ➔ **33 graduate after 2 years (~95 % success rate)**

# MSCE students (1998-today) 40 countries

# Marketing Strategies

(in decreasing order of importance)

- ➡ **Each year 200 personal letters with information packages (poster, flyers) sent to leading professors at leading target universities**
- ➡ **Alumni and students recommend MSCE at their home universities**
- ➡ **Visits to leading universities by program manager and assistant program manager**
- ➡ **DAAD booklet, German embassies**
- ➡ **WWW page**

# Marketing: Ranking of TUM - Electrical Engineering

1. Year	<b>Semester 1</b> (Mid Oct. to Mid Feb.)
	Final Exams of Semester 1 (End of Feb.)
	<b>Spring Break / German Lang. Course</b> (March - Mid April)
	<b>Semester 2</b> (End of April through July)
	Final Exams of Semester 2 (End of July)
<b>Industry Internship</b> - 10 weeks (Aug. to Mid Oct.)	
2. Year	<b>Semester 3</b> (Mid Oct. to Mid Feb.)
	Final Exams of Semester 3 (End of Feb.)
	<b>Master's Thesis</b> - 6 months (March thru Sept.)
	<b>Graduation</b> (Mid Oct.)

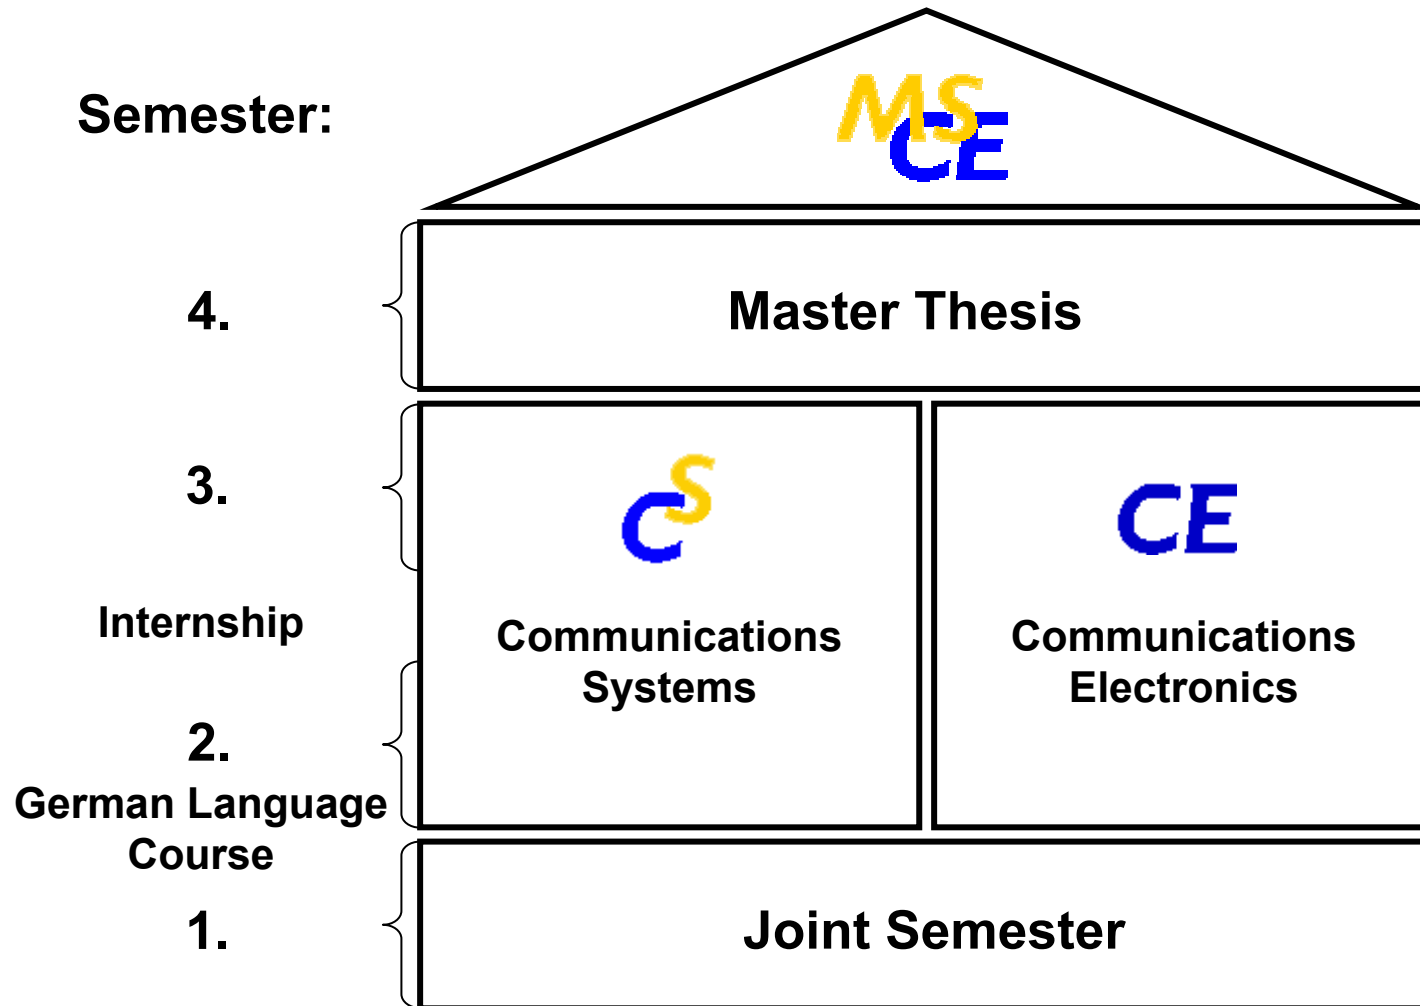

**95%** of the beginners graduate  
in the shortest possible time (24 months)

# MSCE Program – Offered Specializations

- ➔ **Communications Systems**  
(Prof. Joachim Hagenauer)
  - ➔ System Aspects of  
Communications Technology
  
- ➔ **Communications Electronics**  
(Prof. Ulf Schlichtmann)
  - ➔ Aspects of Hardware  
Implementation, IC Design

# MSCE Program – Specializations

# Visiting Professors teach in the second semester

'99	Prof. John G. Proakis Prof. Stephen B. Wicker	Northeastern University Cornell University
'00 '01	Prof. Ruey-Wen Liu Prof. Jerzy Rozenblit	University of Notre Dame University of Arizona
'02	Prof. John G. Proakis Prof. Daniel J. Costello	Northeastern University University of Notre Dame
'03	Prof. Thomas Kailath Prof. de Wilde	Stanford University University Delft
'04	Prof. Ezio Biglieri Prof. Gershman	Torino, UCLA McMaster University Canada
'05	Prof. Daniel J. Costello Prof. Raymond Yeung	University of Notre Dame Chinese Univ. of Hongkong
'06	Prof. Max Costa Prof. Wayne D. Grover Prof. Paolo Ienne	Campinas, Brazil Univ. of Alberta, Canada EPFL, Lausanne

# Industry Professors teach in the third semester

- Prof. Kaup, Siemens Research, Univ. Erlangen
- Prof. Feicht, Siemens Networks
- Prof. Yang, Infineon
- Dr. Obradovic, Siemens Research
- Dr. Seeger, European Patent Office
- Dr. Kirstaedter, Siemens Research

# Social Life

- Airport pickup
- Welcome reception
- Housing service
- Day of Electrical Engineering and Information Technology
- Graduation Ceremony
- Annual Yearbook
- Alumni Association
- Student Union
- Sports Activities (Football Match)
- ...

- ➔ **Online Application, No Application Fee**
- ➔ **Tuition Fee: 3.000 €/year**
  - ➔ Many partial and full grants available from our industry partners
  - ➔ Up to now all admitted students received a tuition grant from industry or department
- ➔ **Living Expenses: 750 €/month**
  - ➔ Grants from DAAD (German Academic Exchange Service)
  - ➔ Partial industry partner scholarships (e.g. Siemens Youth & Knowledge)
- ➔ **Additional Financing Possibilities**
  - ➔ Paid internship
  - ➔ Industry projects
  - ➔ Student jobs
  - ➔ Student research grants
- ➔ **Income from Industry Tuition Fee Grants: 90.000 € per year**
  - ➔ **No state or public (DAAD, etc) subsidies used**
- ➔ **Program Costs: guest professors, marketing, welcome service, graduation**

# MSCE Sponsors from German Industry

- ➔ **Siemens**
- ➔ **Infineon Technologies**
- ➔ **Comneon**
- ➔ **Rohde & Schwarz**
- ➔ **Deutsche Telekom**
- ➔ **Vodafone**
- ➔ **Texas Instruments**
- ➔ **Ericsson**
- ➔ **O2**
- ➔ **...**

# What our students value most?

- ➡ **High Quality of Education**
- ➡ **Close Cooperation with German Industry**
- ➡ **Intensive Support from the MSCE Team**
- ➡ **Events and Student Activities**
- ➡ **Traveling and Tourism Opportunities**

# What our students like:

## Some students' statements from the yearbook

### About the program

- ▶ **Attending this elite Master course has been one of the best experiences I have had. It offered lectures by German high-profile professors, international well-known professors, Siemens' experienced engineers**
- ▶ **The MSCE program has given me more than just an education, it has given me the experience of a lifetime**
- ▶ **I came to Munich to pursue a Master degree in MSCE and also to be closer to my favorite football stars**
- ▶ **I took complete advantage of being in this High-Tech city where I worked with Infineon the first year and Rohde & Schwarz the second year**
- ▶ **I liked the very friendly and warm hearted people of the South**

# What our students like:

**Some students' statements from the yearbook**

## **About Friendship**

- **Learn German!! It will surely make your stay more enjoyable.**
- **I think that the best point in the MSCE program is bringing these students from different cultures and putting them together in a beautiful city and a High-Tech center**
- **The opportunity to meet so many people from all over the world created an incredible cultural diversity.**
- **It was fun playing the game of Cricket on German soil, where everyone wants to play Soccer.**
- **a Bulgarian-Lebanese-Greek-Palestinian-Chinese-..... lifetime friendship and priceless experience and knowledge.**

Year	Graduates Number	Industry Germany	Industry other	PhD Germany	PhD other	In transition
2000	24	11	4	5	0	4
2001	20	8	2	5	1	4
2002	33	7	13	3	6	4
2003	34	6	10	5	4	9
2004	25	4	4	4	2	11
2005	27	5	3	5	1	13
Total	163	41	36	27	14	45

# The MSCE Program: **Plus** and Minus

- ➡ **Up to 700 applications for 35 positions, 175 students in 5 years**
- ➡ **~95 % success rate = successful graduates in shortest possible time**
- ➡ **The selection and monitoring procedures worked well**
- ➡ **Top guest professors from foreign universities and industry**
- ➡ **Dedicated staff from TUM (extra work without extra pay and without extra funding from public sources)**
- ➡ **International programs enhance visibility of the department**
- ➡ **Students are very well received by the Industry (20 graduates out of 24 stayed initially in Germany (PhD and green card employees))**
- ➡ **Wissenschaftsministerium did not allow tuition fees**
- ➡ **With less resources the department cannot handle this extra workload**
- ➡ **More industry tuition grants are needed**
