

**Universität Hildesheim**  
Stiftung des öffentlichen Rechts

At the University of Hildesheim, the Institute-English Language and Literature, Faculty of Language and Information Sciences, has a vacancy from 01.10.2025 for a position as

**Research assistant (m/f/d)**  
**Instructed Second Language Acquisition**  
**(TV-L E 13, 100%)**

for three years.

**Your tasks:**

- Active participation in the development and implementation of research projects of the professorship for English Language Didactics / Second Language Acquisition
- Independent preparation and implementation of courses in English didactics and Instructed Second Language Acquisition of an average of 10 LVS per semester
- Conception, implementation, and evaluation of examination formats
- Supervision and advice of students (also during school internships)
- Willingness to undertake further training in higher education didactics is expected

**Your profile:**

- Successfully completed an academic university degree (master's or comparable) in English with a teaching qualification (TEFL/TESOL), preferably with a second state examination and/or a doctorate
- Solid knowledge of TEFL and Instructed Second Language Acquisition
- English language proficiency of at least C1 level
- Initiative, teamwork, and organizational talent

**Desirable:**

- The willingness to do a doctorate or habilitation is supported

**We offer:**

- multidisciplinary, international and research-strong team
- comprehensive academic supervision and methodological training
- attractive working environment in which (English) teacher training is highly relevant
- a varied, multifaceted field of activity

As a family-friendly university, we offer a varied, interdisciplinary range of tasks, flexible working hours, regular further and advanced training, and a special annual payment within the framework of TV-L. In joining the university, you will become part of a dynamic, committed and open-minded team. The position is generally suitable for part-time work, but is to be filled in full.

The University of Hildesheim has adopted a mission statement that places great importance on gender equality and diversity.

The University of Hildesheim particularly wants to promote the professional equality of women and men. Therefore, it aims to increase the proportion of employees of the gender that is underrepresented in the respective area.

In the case of equal qualification and suitability, applications from applicants with severe disabilities will be given preferential consideration.
