

In the Faculty of Economics, Law and Social Sciences at the University of Erfurt, Professorship for Applied Microeconomics, the following position with 20 hours per week is to be filled as soon as possible:

Research Assistant (f/m/d)

pay group 13 TV-L (50 %)

Area of Responsibility

- Provision of scientific services in research and teaching (2 weekly lecture hours per semester)
- Participation in the preparation and implementation of research projects of the professorship
- Supervision of student theses
- Participation in administrative tasks of the professorship
- Own further scientific qualification (doctorate) in the subject area of the professorship, which focuses on microeconomics and empirical economic research

What we expect

- Successfully completed university studies (diploma/MA/state examination) in economics or related fields of study with an above-average degree
- Sound prior knowledge in the main topics of the professorship (microeconomics, empirical economic research)
- Very good knowledge of German or English
- Interest and aptitude for scientific work as well as for participation in teaching
- Ability to work in a team, communication skills, commitment and pleasure in working independently in the fields of the professorship

What we offer

As an equal-opportunity employer the University of Erfurt promotes the compatibility of career and family life. It offers dual careers, a wide range of further training opportunities and coaching, as well as health and prevention services as part of its corporate health management.

Comments/Remarks

The German version of this job advertisement alone shall be legally binding.

The position is initially limited to up to 4 years, depending on legal and personal requirements. The advertisement is addressed to applicants who fulfill the requirements of the German Act on Fixed-Term Scientific Contracts (Wissenschaftszeitvertragsgesetz). The general requirements for employment according to § 91 section 5 Thuringian Higher Education Act apply.

If you have a foreign university degree, you must apply to the Central Office for Foreign Education (Zentralstelle für ausländisches Bildungswesen, ZAB) for a certificate evaluation and attach the relevant certificate to your application documents. Please note that this service is provided for charge. You can find more information at www.kmk.org/zab/zeugnisbewertung.

The University of Erfurt is committed to diversity and gender equality. It has been audited as a "family-friendly university" and has received the rating "equality excellent" in the female professor program. Increasing the proportion of women in research and teaching is one of the university's strategic goals; qualified female scientists are therefore expressly encouraged to apply.

Severely disabled persons and those with equal status are given preference provided equal suitability, professional performance and ability.

Part-time employment is generally possible. The extent to which a request for part-time work can be met, particularly with regard to the location and scope of part-time work, must be examined on a case-by-case basis.

Application / Deadline

Please send your application with informative documents (curriculum vitae, copies of certificates, description of the doctoral project, if applicable list of publications and university courses) by e-mail only, quoting the reference number, by **September 8, 2022** to:

University of Erfurt • Faculty of Economics, Law and Social Sciences
Professorship for Applied Microeconomics • Prof. Dr. Manfred Königstein
Postfach 90 02 21 • 99105 Erfurt • E-Mail: birgit.schoeppe@uni-erfurt.de

Please note that applications in electronic form must not exceed a size of 15 MB for technical reasons.

Notes on data protection

The University of Erfurt mail system generally works with transport encryption. Please ensure that you also use transport encryption when sending e-mails. If you also like to encrypt the content of your e-mail, please use the e-mail address bewerbung@uni-erfurt.de instead of the above e-mail address. For this e-mail address you will find the certificate with the public key for sending encrypted e-mails at <https://www.uni-erfurt.de/universitaet/arbeiten-an-der-universitaet/stellenausschreibungen>. If you do not make use of the option of encryption via certificate, no encryption of the content of your e-mail can be guaranteed.

By submitting your application documents in electronic form, you consent to check the e-mail and its attachments for malicious codes, viruses and spam, to temporarily store the required data and to conduct further correspondence (unencrypted) by e-mail.

By submitting your application, you also consent to the further processing of your personal data within the scope of and for the purpose of the application procedure. This consent can be revoked at any time in writing or electronically without giving reasons. Please note that revocation of consent may mean that the application can no longer be considered in the current procedure.

For further information on data protection in accordance with Article 13 of the EU General Data Protection Regulation (EU GDPR), please refer to the information sheet ("Data protection information for applicants") on our website at <https://www.uni-erfurt.de/universitaet/arbeiten-an-der-universitaet/stellenausschreibungen>.

Note on the assumption of costs

The costs incurred by the application will not be covered by the University of Erfurt.
